COUNTY FESCUE SPECIFICATION SHEET

DETAILS

County Fescue is an all-Fescue turf suitable for golf and bowling greens, golf fairways and luxury lawns. It requires regular, skilled maintenance to keep it in good condition. It is our finest-textured turf with a very dense, close-mown sward. County Fescue is grown on natural sands that are very close to USGA specification, and with using a 50:50 blend of chewings and slender fescue, it provides all year round excellent performance.
